Mayor's Message

"We are deeply saddened to learn of the death of Her Majesty Queen Elizabeth II. On behalf of Bridlington Town Council and the residents we wish to express our heartfelt condolences and sympathy to all members of The Royal Family.

Over the last few months I have attended many events, starting with the first Bridlington Pride event which proved such a fantastic success bring visitors from all over the North to enjoy the sights, sounds and beauty of Bridlington and giving traders in the town a much-needed boost after the last three years.

This was followed by the RNLI open day, and the launch of the new RNLI Signature Sheet on which for a small or large donation you can have your signature embroidered and help keep this service running.

The annual Lions Carnival was a great success drawing large crowd of people enjoying the summer sun, and hasn't this year been terrific for Bridlington. The weather has brought people back to the seaside and the beaches have been crowded.

Sadly, in September, I attended the final service conducted by Matthew Pollard as Rector of the Priory. Matthew's contribution to the community of Bridlington over his nine years has been outstanding and we wish him well in his new role in Ripon.

I would also take this opportunity to thank all those individuals and organisations that have already support my Mayor's Charity in aid of Candlelighters a charity which fights children's cancer.

Councillor Mike Heslop-Mullens
